Company Profile

Asian Homes® Realty Services is an established, licensed Real Estate company, owned and managed by a team of British and Filipino professionals. Founded in 2005 by Engineer Jonathan Mallinson, the President and CEO of Asian Homes® Realty Services, a British Citizen. Asian Homes® Realty Services is a Professional Real Estate company in the Philippines working to British Standards. Asian Homes® Realty Services offer real estate sales and marketing concepts based on realty services used in Britain, Europe and America.

Overview

Asian Homes® Realty Services unique online Philippine Real Estate database consists of Philippine Houses, Lots, Condominiums, Villas and Commercial Buildings, all for sale. Our corporate web site is continuously updated and displays several hundred properties for sale in the Philippines, each having virtual house tours, high resolution property pictures and in-depth property descriptions linked to them, allowing local Filipinos, Overseas Foreign Workers, Filipino-Americans or Foreigners the opportunity to find a home, be it ready for occupancy houses or one new homes being built by Philippine property developers.
